Frequencies for Your Life

Personal Growth Database

For the HealAdvisor Analyse Resonance Module

If you are experiencing the joy and happiness to live in a long-term intimate relationship with someone, you may come to understand after some time that this person is a perfect mirror for you; they may, however, not only reflect your joy, but also the deep unconscious pain that you might have experienced your whole life and of which you may be not even aware.

This often leads to a loved one triggering an issue within that is hurting us. Without being aware of the true reasons, we react with rejection.

Often this initial rejection evolves into resistance and eventually aggression. This is how eventually issues arise that are being avoided by both life partners: By one person because the pain inside is too great, and by the other because they can no longer muster the energy to bring up the issue in order to resolve it through self-reflection. As a result, many relationships lose the feeling of intimate togetherness or even break up without anyone being able to accurately explain the disharmony.

To help prevent such interpersonal chain reactions, we have come up with a very special tool for the HealAdvisor Analyse Resonance module:

The Personal Growth Database.

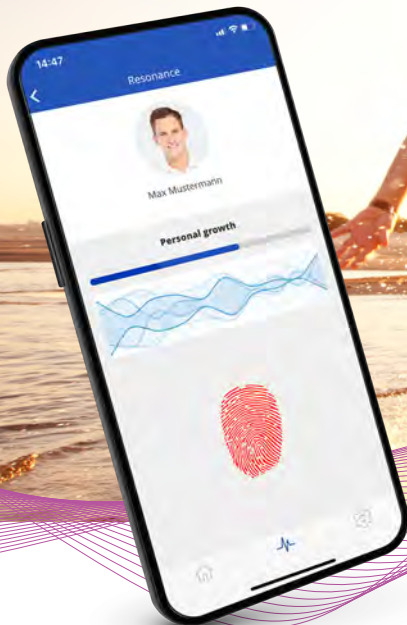

It is designed to help anyone who knows this situation from their own experience or even currently finds themselves in it. How does it work in detail?

Whenever you experience this kind of disharmony in your relationship, keep the following sentence in your mind:

“ I am living in a fulfilling, intimate and loving relationship where all old hurts are harmonized! ”

- Then, use the database to analyze in the Information Field* with which entries you are currently having the greatest resonance.
- Use the positive information to bring yourself and your Information Field back into harmony.
- Step by step you will overcome all your blockages and unleash your full potential!

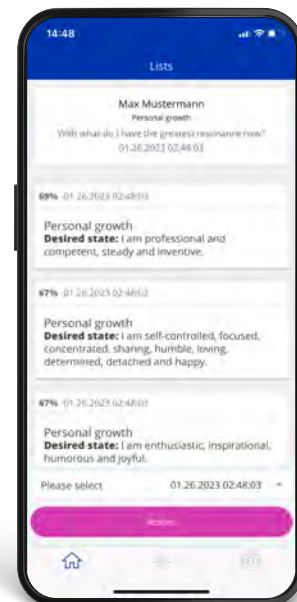

*Information Field technology is a proprietary technology of Healy World. It is based on the theory that the Information Field is the non-material area through which spirit and matter communicate. It reflects what we consider to be the spiritual meaning of life events. The existence of such a field is discussed in scientific literature.

Analysis in the Information Field is designed to search for the information patterns that contribute to the harmonization of the Information Field. For this purpose, a priority is assigned to contents such as descriptive sentences, arranged in lists, by evaluating the data of a physical noise generator. In our users' experience, this priority reflects the relevance for the user.

An analysis in the Information Field reflects a combination of factors at the time the analysis is done, including the intention of the user. An analysis at a different time may have a different result due to changes in the environmental variables. The content of the HealAdvisor Analyse app databases and modules is based on the practical experience of the experts who created them. They have not been confirmed by independent studies.

Note:

The analysis and harmonization in the Information Field is not intended to cure, treat, mitigate, diagnose or prevent any disease or medical condition. It is intended to give the user the option, in a holistic context, to derive helpful information from findings from the Information Field. Each user should determine, based on their own experience, whether the application seems to be helpful to them or not.

The terms used in the databases and modules do not constitute statements concerning their effects. Information from the Healy device should always be critically questioned and, if necessary, verified with further procedures. It should not be treated as a substitute for professional medical advice, diagnosis or treatment. You should always seek such advice from a qualified medical professional.

Disclaimer:

Science does not acknowledge the existence of the Information Field, its analysis, harmonization and other importance due to the lack of scientific evidence.

Individualized Microcurrent Frequency (IMF) programs of the Healy device, Quantum Potential Frequencies (QPF) of the Healy Coil and the magnetic field programs of the MagHealy device are not acknowledged by conventional medicine due to the lack of scientific evidence in the sense of conventional medicine.

Healy Fast Start Promotion

For New Independent Healy World Members

Welcome to Healy World!

We have a little saying for our new Independent Healy World Members – **“Fast is fun!”** We know you’re excited to share the life-changing products of Healy World with your family and friends. As you do so, we want to generously reward you with **Cash** and **Free Editions!** We call this **Fast Start**.

V. 2.0 | 2022-04-01

Here is how The Fast Start Promotion works:

Rewards are tied to two periods of time: Enrollment + 1 and Enrollment + 2. This simply means the month you enroll plus 1 (or two) months after your enrollment month. So, for example, if you enrolled as an Independent Healy World Member in January, Enrollment + 1 is the end of February; and Enrollment + 2 is the end of March.

Rewards for Enrollment + 1

During this time period, you'll want to share your Healy story with family members and close friends to encourage them to enroll and purchase Healy World products. You'll see that for each device sold, not only will you receive the regular **Device Direct Bonus**, but an **EXTRA Fast Start Cash Bonus**. This Cash Adds Up Quickly!

Rewards For Enrollment + 2

Free Healy Edition! Each Healy World product you sell to customers and Independent Healy World Members carries with it a Qualifying Volume (QV). During your Fast Start Period, you accumulate Fast Start QV that is the combination of your QV from the month you enroll and the following two months. This Fast Start QV will determine which Healy Edition you earn for free and will be sent to you at the end of your Fast Start period or in the period after you achieve the highest award, whichever comes first.

More Cash! Your goal should be to achieve the title of Team Manager within one single month (either your enrollment month, or the first or second month after enrollment). Team

Manager is a title in our compensation plan (please see the current Healy World compensation plan for more details). In the month that you accomplish this, you will receive the normal €100 Team Manager Rank Advancement Bonus, PLUS another €100 because you did it within your Fast Start period.

NOW HELP OTHERS TO BE SUCCESSFUL and you'll find it fun and rewarding to help those you enroll meet THEIR Fast Start goals!

As you can see below, the enroller of a new Member can receive a double Matching Bonus for helping new Members achieve success.
